Data sheet:
Wireless Gigabit Router N300

Product code : WLR-4003
Product name : Wireless Gigabit ROuter N300
EAN code : 8716502025992

Create a wireless network with excellent speed and exceptional range

With this router you can easily create a wireless network and share a broadband Internet connection, files and peripheral devices. The router has a range which is optimized for three floors, the garden and the balcony and wireless speed of up to 300 Mbps. It supports wired speed of up to 1000 Mbps and is ideal for high-speed internet.

The router is suitable for heavy applications such as watching YouTube, streaming music and downloading files. The router is "out of the box" secured with the WPA2 security protocol. You can create a secure home network with just one push of the OPS (One Push Set-up) button.

This product comes with the extensive 10-year Sitecom warranty. Simply activate the long-term warranty by registering your product within 3 weeks of purchase.
